

Zeju Fan

Pianist

Zeju Fan is a London-based pianist presenting recital programmes across central London venues.

Recent appearances include lunchtime recitals at St Andrew Holborn and St Mary-le-Bow in April 2026, where he presented solo programmes for public audiences in church settings. He will give a full-length recital at St John's Smith Square on 26 June 2026. The programme spans Beethoven, Berg, Ligeti, and Liszt, and forms part of his current London recital season.

Alongside larger-scale projects, his work includes shorter recital programmes designed for church acoustics and daytime audiences, typically 35–45 minutes in duration, drawn from classical and Romantic repertoire suited to intimate spaces.

He is currently planning a further series of London recitals for September 2026 and welcomes opportunities to collaborate with venues and concert organisers.
